

Challenge Preparatory Academy
presents

Dyslexia & ADHD

Teaching and Learning
Professional Learning for
Educators & Parents

- ✓ What effective literacy instruction should look like
- ✓ What learning actually feels like for students with dyslexia or ADHD
- ✓ Strategies that support struggling readers and attention differences
- ✓ Practical tools teachers and parents can implement immediately

Inspired by insights from the "Sold a Story" podcast and research on dyslexia and ADHD learning differences.

Friday
March
13

Location: Challenge Preparatory Academy
